

Treasurer's Report for Fiscal Year 2010 (for 2011 Yearbook)

PaBIA has held our annual dues at \$150 for ten years. During that time, our reserve fund, which totaled \$158,000 at the end of 2001, has been reduced to \$95,000. We should have the equivalent of one year's revenues in reserve. We are fortunate to have many generous members who donate to our reserve fund and the Marine Patrol, but we cannot depend on these donations. We expect that our annual dues will have to be raised in 2012.

The best way to increase revenues is to increase our membership. We have an active group who are contacting non-members inviting them to support PaBIA by joining us. Your help in this effort would be very much appreciated! Please encourage younger people in your families to become members in their own right. Many of us give PaBIA memberships to our adult children as gifts to get them started. Invite your neighbours to join. Our website outlines all the events and services that PaBIA provides.
